

FAASafety Team Flight Instructor Open Forum (Open to all Pilots)

FAASafety Team Flight Instructor Open Forums provide an opportunity for Flight Instructors, Ground Instructors, Designated Pilot Examiners, and the FAA Safety Team (FAASafety Team) to meet and discuss one or more of the Top 10 Causal Factors in General Aviation Accidents at each of the Open Forums. In this forum, we will discuss aeronautical decision making from an instructional perspective. We will use part 135 as a model for helping pilots develop personal minimums. Dinner served at 1730PM!

Directions: The terminal building is at the entrance to Fresno Chandler Airport just off Kearney Blvd. Parking is available in front and aircraft may be parked on the ramp.
